Subject:- Maintenance allowance-Continuance of in the event of failure to file compensation applications.

Sir,

I am directed to invited attention to this Ministry's letter No.F.9(16)-SB/53 dated the 2nd June, 1953, in which it was laid down that where a grantee of maintenance allowance failed to file compensation application by the 31st July, 1953, the payment of his/her allowance will be discontinued from the month of August, 1953. Subsequently, as a result of representations from the grantees and their organisations, certain relaxations for the continuance of maintenance allowance were made in favour of the following categories:-

(1) Gurantees whose claims were totally unverified. In their case mainemance allowance is to be contined under specific orders of the Ministry of Rehabilitation in terms of para(2) of its letter No.1(4)/MA/II dated the 26th August, 1953.

(2) Gurantees whose claims have remained partially unverfied. They are also eligible for filing applications for compensation vide para(1) of the Minisery

Swara 2017

of rehabilitation's letter No.1(4)/MA/II/53 dated the 26th August, 1953.

(3) Grantees whose maintenance allowance had been restored on or after the 1st May, 1953, vide para 3 of this Ministry's letter No.1(16)-MA.II/53 dated the 5th November, 1953, read with its letter No.1(4)/MA.I/53 dated the 17th April, 1954.

(4) Heirs of deceased grantees who had applied for transfer of the Payment Orders in their names, but in whose cases orders transferring the maintenance allowance were issued after 19th May, 1953, vide para 4 of this Ministry's letter No.1(16) MA.II/53 dated the 5th November, 1953.

(5) Persons for whom maintenance allowance was sanctioned for the first time after 31st July, 1953, vide para 1 of this Ministry's letter No. 1-(16)-MA./53 dated the 30th December, 1953.

2. Payment in the case of grantees falling under the categories mentioned against (2) to (5) above, is to be renewed only <u>after</u> they had filed compensation application and produced acknowledgment receipt duly signed by the Settlement Officers.

3. I am to add that the Government of India continue to receive representations for relaxation regarding the renewal of maintenance allowance, from the grantees not covered by any of the aforesaid exceptions, but who are now eligible for filing compensation applications after the 31st July, 1953, even though their maintenance allowance has been discontinued. These representations have been considered carefully and it has been decided that while the displaced claimants(whether in receipt of maintenance allowance or not) might be included in the priority categories, from time to time, for the purpose of filing compensation applications, there is absolutely

no..

Ward 29/7

no justification for condoning the failure to file compensation applications by the prescribed date and authorising revival of maintenance allowance in the case of categories other than those already accepted vide paragraph 1supra.

4. I am, therefore, to request that definite instructions may kindly be issued to all the Disbursing Officers under you, to the effect that except in the categories mentioned in paragraph 1 above, or except under the specific orders of this Ministry, maintenance allowance is not to be renewed in the case of any other grantee whose maintenance allowance has already been discontinued from August, 1953, due to his/her failure to file compensation application by the 31st July, 1953, even though he/she might be eligible for filing compensation application after that date.

5. Kindly acknowledge receipt of this communication.

Yours faithfully,
